20. Didactic Resources

Some representative examples will be shown in audio, video, and PDF format.

21. Sustainability Objectives

Increased use of digital platforms such as Teams to provide didactic materials to students and clarify doubts through videoconferences, thus limiting travel and the use of paper copies. Attendance control of teachers and students by means of digital equipment, thus contributing to a reduction in the use of paper. Use of specific software for musical notation with reduced use of paper support, and implementation of energy and resource reduction in the University's facilities.
