7. Type of Curricular Unit / Semester

2nd Semester

UNIVERSIDADE LUSÍADA
LISBOA

8. Class type and workload (work time)

Theoretical classes:

Practical classes:

Theoretical-Practical Classes 30,00

Tutorial Guidance: 20,00

9. ECTS Credits

6,00

10. Scientific Area Coordinator

11. Regent

Prof. Doutor PEDRO JOSE LOPES CLEMENTE

12. Assistants

13. Teaching Language

Portuguese

14. General Objectives

Equip trainees with specific knowledge and practices regarding cooperation between the different national actors of internal security, especially the police, including operational coordination, and between these and foreign counterpart organizations, favoring the conceptual understanding of cooperation and debate on the standards of action of police services, in an integrated and systemic manner and within a legal, national and European framework.

15. Specific Objectives

Enable graduates with theoretical knowledge and good practices, regarding the institute and the process of cooperation between police services, both internally (vertical and horizontal) and internationally, with special focus on purposes, attributions and structures, as well as in the operational objectives of the main institutional actors, mainly the security forces, using case studies, including cooperation in the fight against terrorism.

16. Skills to be acquired

Enable trainees with essential knowledge and corresponding good practices on internal security, both in the internal dimension and in the international dimension, especially European, with regard to the relationship between police services and between these and other security actors, namely security companies. private security, which allow, namely, the further elaboration of incivility prevention projects or specific studies of criminal prevention.
