Portuguese

14. General Objectives

To sensitize students to the importance of the legal rules governing tourism in all its aspects.

15. Specific Objectives

To provide students with a knowledge of the legal system that regulates tourism activity so that they know and identify the entire legal framework of tourism enterprises and related activities, as well as the legal requirements for the creation and operation of such activities, including knowledge of the legal relationships that are likely to be developed within the scope of tourism activity, Public Administration, suppliers, customers, and employees.

16. Skills to be acquired

Knowledge of all the processes and requirements necessary for the creation and operation of tourism enterprises, as well as the way in which the legal relationships developed within these enterprises should be guided.

17. Teaching Methodology

Lectures in which the legal regulations are identified and the most relevant problems are raised, discussion of practical cases, presentation of assignments, and preparation of tests.
