13. Teaching Language

Portuguese

14. General Objectives

Develop skills of critical analysis and policy in the field of social welfare, contributing to practices of social intervention promoting human rights and improving the quality of life of citizens.
Prepare students for a qualified intervention and for the study of current emerging issues, aiming at a professional performance able to respond to the emerging challenges in contemporary societies.

15. Specific Objectives

Empower students for political practice strategies in Social Work.
Interpret and critically use statistical sources, helping students to analyze different indicators and sub-indicators associated with well-being.
Understand the articulation between theoretical and empirical sources as a support for the study of different problems.
Delve into contemporary social issues that present themselves as challenges to intervention and innovation in Social Work.

16. Skills to be acquired

FUNDAÇÃO MINERVA CULTURA - ENSINO E INVESTIGAÇÃO CIENTÍFICA

Rua da Junqueira, 188 a 198 - 1349-001 LISBOA - Telefone 213 611 500 - Fax 213 638 307 - e-mail: info@lis.ulusiada.pt - https://www.lis.ulusiada.pt

Development of knowledge and political communication skills in the area of Social Work.
Articulation and use of scientific production in the area of social sciences for the understanding of social phenomena and in social intervention.
Acquisition and development of basic skills in the use and evaluation of indicators and sources of national and international statistical information in the field of social welfare.
Promotion of critical reflection on emerging social issues.

17. Teaching Methodology

Theoretical-practical classes: Reflection and debate on the subject of classes, on recommended reading texts, working documents and statistical data related to the themes of the course unit. Development of autonomous work, giving students a participatory and autonomous role in their training process through critical analysis of theoretical and empirical sources associated with different areas of social intervention. Participation of invited experts.
