14. General Objectives

The curricular unit aims to teach what a Marketing Audit is, what are its components and the analyses to use.

15. Specific Objectives

- Relate the different decision variables of a marketing strategy in order to understand its implications.
- Illustrate the questions to ask in an evaluation of the adopted marketing strategy.

16. Skills to be acquired

Develop the ability to:

- Analyse a marketing strategy in the context of an uncontrollable and changing external environment.
- Critically analyse the choices in the decision making process of the marketing strategy.
- Propose solutions to improve the adopted strategy.

17. Teaching Methodology

- Theoretical-practical classes in which concepts related to the curricular unit's program will be addressed, using slides and current and real-life examples.
- Tutorial guidance classes in which practical cases will be analysed to illustrate and consolidate the concepts seen in the theoretical-practical classes.
